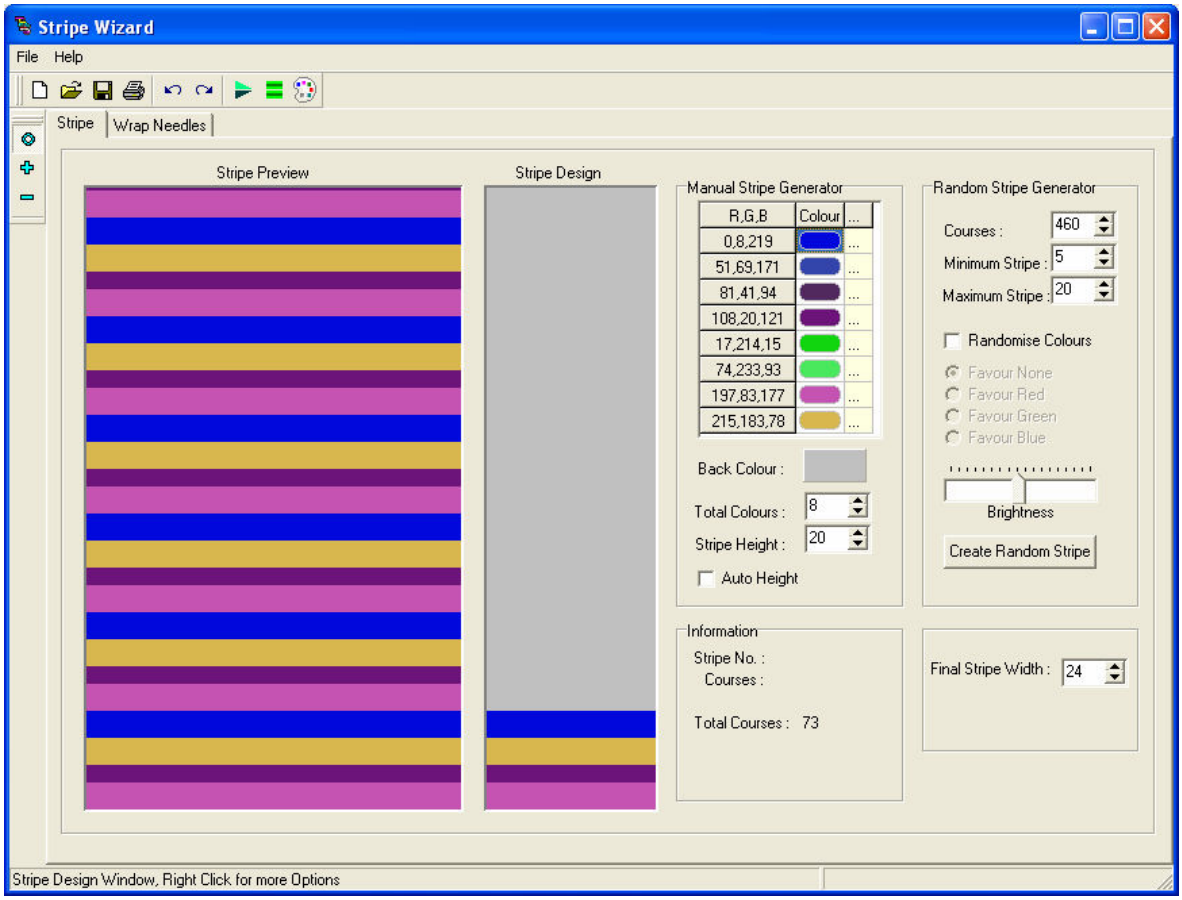
TDS STRIPE WIZARD

CREATE STRIPES QUICKLY AND EASILY WITH TDS STRIPE WIZARD ON PC AND WINDOWS. DO NOT WASTE MACHINE DOWN TIME

There are 2 windows. The Stripe Design shows the actual Stripe Design. Colors are dragged onto this window.



To Create a Stripe design, Simply select the Number of Courses and Drag the Colour onto the Design Window. Once added the Stripe can be easily manipulated.

The Preview of the Stripe Design is always displayed showing Stripe sequence as Repeated.

Colourways can be generated quickly and easily.

All design can be printed using the built in Print Preview facility

CREATES FLOPPY DISK OUTPUT FOR OLD & NEW CAMBER STRIPER KNITTING MACHINES

LOW COST, HIGHLY EFFECTIVE
